Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area,small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product,this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power dril/drivers **for inserting screws** as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.
- Do not tighten all bolts until bed is fuly assembled.

Care and maintenance

- Only clean using a damp cloth and mild detergent,do no use bleach or abrasive cleaners.
- From time to time check that there are no losse bilts on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Note:if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
