Highlights

20-hour runtime

With a 20-hour runtime, you can indulge in marathon viewing sessions without worrying about losing power.

Auto on/off

Philips SHC8800 headphones turn on automatically when you put them on your head. And when you're finished watching, they will automatically power off, to ensure power doesn't go to waste.

Easy charging

Place the headphones in the charging dock for easy charging.

100m wireless range

The 100m transmission range provides immense mobility and freedom to enjoy your music all around your home.

Auto-adjustable fit

The self-adjusting lightweight hammock gives you the best fit for your head shape, while offering optimal comfort.

Cinematic sound

Philips SHC8800's 40mm drivers are acoustically tuned to deliver superior cinematic sound.

Hi-res audio

High-resolution audio offers the best in sound performance, reproducing the quality of original studio master recordings more faithfully than 16bit/44.1kHz CD formats. Using the audio cable provided, Philips SHC8800 wireless headphones support high-resolution audio, delivering uncompromising audio quality from your preferred devices - so you can get more out of your home entertainment.

Soft fabric cushions

Soft fabric ear cushions provide extensive comfort, so you can wear the headphones as long as you need.
