TWIN PACK WATER RESISTANT

FRONT SEAT COVER

Water Resistant Car Seat Cover

This seat cover has elasticated edging to fit most cars. Passengers must always wear seat belts. If the seat belt is covered after fitting cover, to allow seat belts to be used properly, please cut any necessary holes as small as possible, and then using tape, bind the edges to prevent tearing.

CLEANING

Do NOT iron, bleach, dry clean or tumble dry.
To clean, wipe with sponge only.

WARNINGS!

CARELESSNESS CAUSES FIRE. KEEP AWAY FROM NAKED FLAME AND IGNITED CIGARETTE.

DO NOT FIT these covers if your car seat is fitted with side air bags. If the side airbags are located in the door then this product is suitable.

Remove periodically and check condition of your cover and the car seat.
