SUPERHUMAN HEARING™

Use Superhuman Hearing™ Mode to pinpoint quiet audio cues like enemy footsteps and weapon reloads. Le mode Superhuman Hearing™ permet d'entendre le moindre son, comme les pas d'un adversaire ou le rechargement d'une arme.

Setup for PS4™ Pro | PS4™ Configuration PS4™ Pro & PS4™

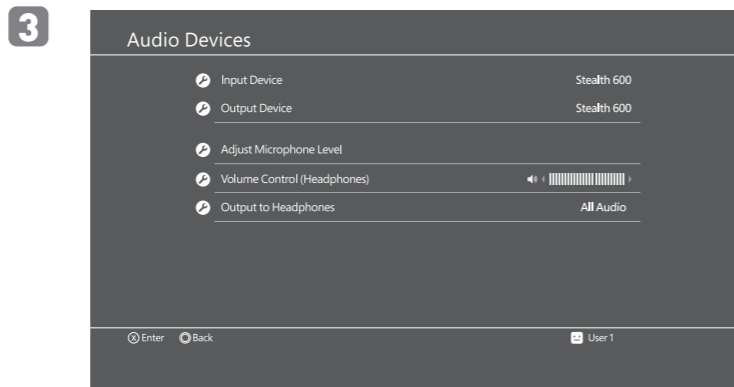

EN
Connect Transmitter to USB Port

FR
Branchez le transmetteur dans le port USB

Power on Headset

Allumez le casque

Go to Settings >> Devices >> Audio Devices
a. Select **Stealth 600** for Input & Output Device
b. Set Output to **Headphones to All Audio**
c. Set Volume Control (Headphones) Level to maximum
d. Select **Adjust Microphone Level** and follow the on-screen instructions to calibrate your microphone

FR
Ouvrez Paramètres >> Périphériques >> Périphériques audio
a. Dans Périphérique d'entrée et Périphérique de sortie, sélectionnez Stealth 600
b. Dans Sortie vers le casque, sélectionnez Tout audio
c. Paramétrez le niveau du Réglage du volume (casque) sur maximum
d. Sélectionnez Régler le niveau du microphone et suivez les instructions à l'écran pour régler le microphone

ES

1. Conecta el transmisor al puerto USB
2. Enciende los auriculares
3. Ve a Configuración >> Dispositivos >> Dispositivos de sonido
a. Selecciona Stealth 600 para los dispositivos de entrada y salida
b. Configura la salida de los auriculares a todos los sonidos
c. Configura el nivel del control de volumen (auriculares) al máximo
d. Selecciona Ajustar Nivel de micrófono y sigue las instrucciones de pantalla para calibrar tu micrófono

IT

1. Collegare trasmettitore alla porta USB
2. Accendere le cuffie
3. Selezionare Impostazioni >> Dispositivi >> Dispositivi audio
a. Selezionare Stealth 600 per uscita e ingresso dispositivo
b. Impostare l'opzione Riprodurre l'audio tramite cuffie su Tutto l'audio
c. Impostare il livello di Controllo del volume (cuffie) al massimo
d. Selezionare l'opzione Regola il livello del microfono e seguire le istruzioni a schermo per calibrare il microfono

SE

1. Anslut sändaren till en USB-port
2. Slå på headsetet
3. Gå till Inställningar >> Enheter >> Ljudenheter
a. Välj Stealth 600 som in- och utdataenheter
b. Ställ in Utdata till hörlurar till Allt ljud
c. Ställ in Volymkontroll (hörlurar) till maximal nivå
d. Välj Justera mikrofonnivå och följ instruktionerna på skärmen för att kalibrera din mikrofon

NL

1. Sluit de zender aan op de USB-poort
2. Zet de headset aan
3. Ga naar Instellingen >> Apparaten >> Audioapparaten
a. Selecteer Stealth 600 voor invoer- en uitvoerapparaat
b. Stel de Uitvoer naar hoofdtelefoon in op Alle audio
c. Stel Volumebediening (hoofdtelefoon) in op maximaal
d. Selecteer Microfoonniveau aanpassen en volg de instructies in beeld om je microfoon te kalibreren

DE

1. Sender an USB-Schnittstelle anschließen
2. Stromversorgung für Headset
3. Wählen Sie Einstellungen >> Geräte >> Audiogeräte
a. Wählen Sie Stealth 600 als Eingabe- und Ausgabegerät
b. Stellen Sie die Ausgabe an Kopfhörer auf Gesamter Sound ein
c. Stellen Sie die Lautstärkeregelung (Kopfhörer) auf das Maximum ein
d. Wählen Sie die Option zur Einstellung des Mikrofonpegels und folgen Sie den Anweisungen zur Kalibrierung Ihres Mikrofons

PT

1. Ligue o Transmissor à entrada USB
2. Ligue os Auscultadores
3. Dirija-se a Definições >> Dispositivos >> Dispositivos de áudio
a. Selecione Stealth 600 no Dispositivo de Entrada e Saída
b. Defina a Saída nos Auscultadores para Todo o Áudio
c. Defina o nível do Controlo de Volume (Auscultadores) no máximo
d. Selecione Ajustar nível do microfone e siga as instruções de calibração do microfone no ecrã

DK

1. Forbind sender til USB-port
2. Tænd for headset
3. Gå til Indstillinger >> Enheder >> Lydenheder
a. Vælg Stealth 600 under Input- og output-enheder
b. Vælg Send til hovedtelefoner for All lyd
c. Indstil lydstyrken (hovedtelefoner) til det maksimale niveau
d. Vælg Tilpas mikrofonlydstyrke, og følg instruktionerne på skærmen for at kalibrere din mikrofon

Firmware Update and Customization Mise à jour du micrologiciel et personnalisation

Important: Update before using
Important : procédez à la mise à jour
avant d'utiliser le produit

turtlebeach.com/audiohub

Connect to the Ear Force Audio Hub for Windows or Mac to update firmware and customize your sound further.

Connectez-vous au Ear Force Audio Hub pour PC ou Mac afin de mettre le micrologiciel à jour et personnaliser votre audio.

Charging Chargement

The Stealth 600 uses a rechargeable battery. Make sure to charge it regularly.

Headset Storage
Always charge your headset before storing it for any extended period of time (greater than 3 months). Never store the unit in temperatures above 113°F/45°C.

Le Stealth 600 dispose d'une batterie rechargeable. Assurez-vous de la charger régulièrement.
Rangement du casque:
Chargez toujours votre casque avant de le ranger pour une longue durée (plus de 3 mois). Ne stockez jamais le casque à des températures supérieures à 45°C.

Pairing Jumelage

The Stealth 600 Headset and Transmitter come paired out of the box. When paired, with both the Headset and Transmitter powered on, the Transmitter's LED will be on solid (lit, but not blinking). However, if your Transmitter's LED is double-blinking, follow the steps below to pair your Headset and Transmitter.

Le casque Stealth 600 et le transmetteur devraient avoir été jumelés lorsque vous achetez le produit. Si c'est bien le cas, l'indicateur du transmetteur doit être allumé (mais ne pas clignoter) lorsque le casque et le transmetteur sont allumés. Si l'indicateur de votre transmetteur clignote, suivez les étapes ci-dessous pour le jumeler à votre casque:

1 Start this process with the headset powered OFF. Press and hold the Pairing Button on the Transmitter until the Transmitter's Pairing LED flashes rapidly, then release. (Use a Paperclip or something similar to press the Pinhole button)

Lancez la procédure avec le casque éteint. Maintenez le bouton de jumelage du transmetteur enfoncé pendant, jusqu'à ce que l'indicateur de jumelage du transmetteur se mette à clignoter rapidement. (Utilisez un trombone ou un objet similaire pour appuyer sur ce petit bouton)

2

Press and hold the Power Button on the Headset until the Headset's Power LED flashes rapidly (5 seconds), then release. Maintenez le bouton d'alimentation du casque enfoncé pendant 5 secondes, jusqu'à ce que l'indicateur d'alimentation du casque se mette à clignoter rapidement, puis relâchez.

3 Within 10 seconds, the Transmitter's and Headset's LED will remain on solid, indicating that pairing has been successful. Dans les 10 secondes qui suivent, l'indicateur du transmetteur doit rester allumé, tandis que l'indicateur d'alimentation du casque doit clignoter régulièrement, à raison d'une fois par seconde, ce qui signifie que le jumelage a bien été effectué.

Regulatory Compliance Statements for the EAR FORCE Stealth 600P RX & TX

Federal Communications Commission (FCC) Compliance Notices
This section includes the following FCC statements for the EAR FORCE Stealth 600P RX & TX:
• FCC ID: KGB-TB3340 (RX) & KGB-TB3341 (TX) • Non-Modification Statement
• Class B Interference Statement • RF Radiation Exposure & Hazard Warning

Class B Interference Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. The limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment doesn't cause harmful interference to radio or television reception, which can be diminished by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

RF Radiation Exposure & Hazard Statements
To ensure compliance with FCC RF exposure requirement, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) from all persons. Using higher gain antennas and types of antennas not covered under the FCC certification of this product is not allowed. Installers of the radio and end-users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Non-Modification Statement
Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the EAR FORCE Stealth 600P RX & TX Models and violate FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved 2.4 GHz antennas.
This product is compliant with the Consumer Product Safety Improvement Act of 2008, Public Law 110-314 (CPSIA)

Canadian ICES Statements (IC: 3879A-TB3340 (RX) and IC: 38791A-TB3341 (TX))
This device complies with ICES-003 and RSS-247 of Industry Canada. Operation is subject to the following two conditions:
1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operations of the device.

Ce dispositif est conforme aux normes NMB003 et CNR-247 d'Industrie Canada
Son fonctionnement est soumis aux deux conditions suivantes:
1. Ce dispositif ne doit pas causer d'interférences nuisibles et,
2. Il doit pouvoir accepter les interférences, incluant celles pouvant nuire à son fonctionnement normal.
To prevent radio interference to the licensed service (i.e. co-channel Mobile Satellite systems) this device is intended to be operated indoors and away from windows to provide maximum shielding. Equipment (or its transmit antenna) that is installed outdoors is subject to licensing and not supported by EAR FORCE Stealth 600P RX & TX Models.
Pour éviter les interférences radio au service agréé (i.e.-à-d. Les systèmes par satellite mobile co-canal), cet appareil est destiné à fonctionner à l'intérieur et à l'écarteur des fenêtres pour assurer un blindage maximal. L'équipement (ou son antenne d'émission) installé à l'extérieur est soumis à l'octroi de licences et n'est pas pris en charge par les modèles EAR FORCE 600P RX et TX.

RF Radiation Exposure & Hazard Statement
To ensure compliance with RSS-102 RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) away from all persons. Using higher gain antennas and types of antennas not covered under the IC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

European Union and European Fair Trade Association Regulatory Compliance
This equipment may be operated in the countries that comprise the member countries of the European Union and the European Fair Trade Association. These countries, listed below, are referred to as The European Community throughout this document: AUSTRIA, BELGIUM, BULGARIA, CYPRUS, CZECH REPUBLIC, DENMARK, ESTONIA, FINLAND, FRANCE, GERMANY, GREECE, HUNGARY, IRELAND, ITALY, LITHUANIA, LITHUANIA, LUXEMBOURG, MALTA, NETHERLANDS, POLAND, PORTUGAL, ROMANIA, SLOVAKIA, SLOVENIA, SPAIN, SWEDEN, UNITED KINGDOM, ICELAND, LICHTENSTEIN, NORWAY, SWITZERLAND.

Unión Europea y Asociación Europea de Comercio Justo Cumplimiento Normativo
Este equipo puede utilizarse en los países que componen la Unión europea y el Asociación europea de comercio equitativo. Estos países, enumerados ci-dessous, son designés comme la Communauté européenne tout au long de ce document : AUTRIE, BELGIUM, BULGARIE, CHYPRE, REPUBLICHE TCHÈQUE, DANEMARK, ESTONIE, FINLANDE, FRANCE, ALLEMAGNE, GRÈCE, HONGRIE, IRLANDE, ITALIE, LETONIE, LITHUANIE, LUXEMBOURG, MALTE, PAYS-BAS, Pologne, PORTUGAL, Roumanie, Slovaquie, Slovaquie, Espagne, Suède, Royaume-Uni, Islande, Liechtenstein, Norvège, Suisse.

Declaration of Conformity
Marking by this symbol:
Indicates compliance with the Essential Requirements of the Radio Equipment Directive (RED) of the European Union (2014/53/EU).
This equipment meets the following conformance standards:
Safety:
EN 60950-1: A11, 2009+A1 2010+A12: 2014 (T-Mark License), IEC 60950:2005 (2nd Ed.) Am 1: 2009 + Am 2: 2013 (CB Scheme Certificate), EN 50332-1: 2013,
EN 50332-2: 2013, EN 71-3: 2013
Additional licenses issued for specific countries are available on request.

EMC: EN 55032: 2012, CISPR 32: 2015
EN 301 489-1 V2.1.1 (2017-02), EN 301 489-17 V3.1.1 (2014-11)
EN 61000-4-2: 2009, EN 61000-4-3: 2006 + A1: 2008 + A2: 2010, EN 61000-4-8: 2010
The products are licensed, as required, for additional country specific standards for the international Marketplace.
Additional issued licenses available upon request.
Radio: EN 300 328 V2.1.1 (2016-11)
SAR: EN 62311: 2008
Environmental: RoHS 2011/65/EU, WEEE 2012/19/EU, REACH 2006/1907/EC
Packaging: N/A/2/CEC, Battery 2006/44/EC, Toys Safety Directive 2009/48/EC

WARNING! This is a Class B product. In a domestic environment, this product may cause radio interference, in which case, the user is required to take appropriate measures.
ACHTUNG! Dieses ist ein Gerät der Funkstrahlungs-Kategorie B. In Wohnbereichen können bei Betrieb dieses Gerätes Rundfunkstörungen auftreten, in welchen Fällen der Benutzer für entsprechende Gegenmaßnahmen verantwortlich ist.
ATTENTION! Ceci est un produit de Classe B. Dans un environnement domestique, ce produit risque de créer des interférences radioélectriques, il appartiendra alors à l'utilisateur de prendre les mesures spécifiques appropriées.

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

Turtle Beach Europe Ltd is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle.
<https://www.complydirect.com/the-recycling-room/>
Please visit the following URL for a complete copy of the Declaration of Conformity: <http://www.turtlebeach.com/homologation>

To Access the Rating Label:
Etiquette
1. Remove the left ear pad, start by pulling the ear pad straight up using your thumb.
2. Once you've released the cloth from the lip on top, pull the ear pad straight back and it should slip right off.
1. Retirez le coussinet gauche en commençant par le tirer vers le haut à l'aide de votre pouce.
2. Une fois le haut du tissu délogé, il vous suffit de tirer le coussinet vers vous pour le retirer facilement.

To replace the ear pad, follow the same process in reverse.
Four remettre le coussinet en place, veuillez suivre la procédure inverse.
