Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product during assembly, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the table or your floor.
- Parts of the assembly will be easier with 2 people.

power drill is set on a low torque setting.

- To reduce the likelihood of damaging your product please ensure that your

Care and maintenance

- This product has been designed for careful domestic outdoor use.
- Make sure each screw matches the corresponding figure to ensure correct assembly.

- From time to time check that there are no loose screws on this chair.
- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

- Do not fully tighten all screws until assembly is complete.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
