

V by Vodafone - Connected by V-Sim

V-Sim by Vodafone connects your V-Sim smart devices to our network, removing the need for Bluetooth or WiFi. So you can know that what matters most is safe, even when you're not nearby. You can also enjoy worry free pricing with our V-Sim Price Promise which means we'll never charge you more than the agreed monthly price at home or abroad in most European countries.

Product	Monthly V-Sim by Vodafone Subscription	Subscription Length
V-Pet (KIPPY Vita) 	£4 per month	Flexible 30 days rolling
