FUSION 360

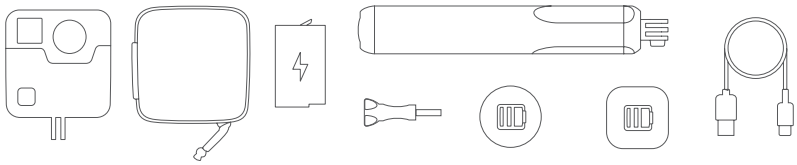

UPC Code:	818279022667
Model Number:	CHDHZ-103

Fusion captures spherical video and photos, recording everything so that you can find the best shots later. Play it back in VR or use OverCapture to create traditional videos and photos you can share right on your phone.[1] With ultra-smooth stabilisation and 5.2K video, Fusion is like having a professional film crew with you wherever you go.

What's Included

FEATURES + BENEFITS

Spherical Video
Capture incredible spherical video of everything around you by shooting in every direction at once.

OverCapture
OverCapture lets you frame and punch out the perfect shot from any angle to create amazing traditional videos right on your phone.[1]

Control + Create With the GoPro App
Use your phone for shot preview and playback, OverCapture, editing spherical videos and sharing.[1]

Immersive 360° Experiences
Play back spherical footage that brings everyone into the moment with you.

Gimbal-Like Stabilisation
Create stunningly smooth videos without a gimbal.

Seamless Video Stitching
Immerse yourself in your VR content without stitch lines getting in the way.[2]

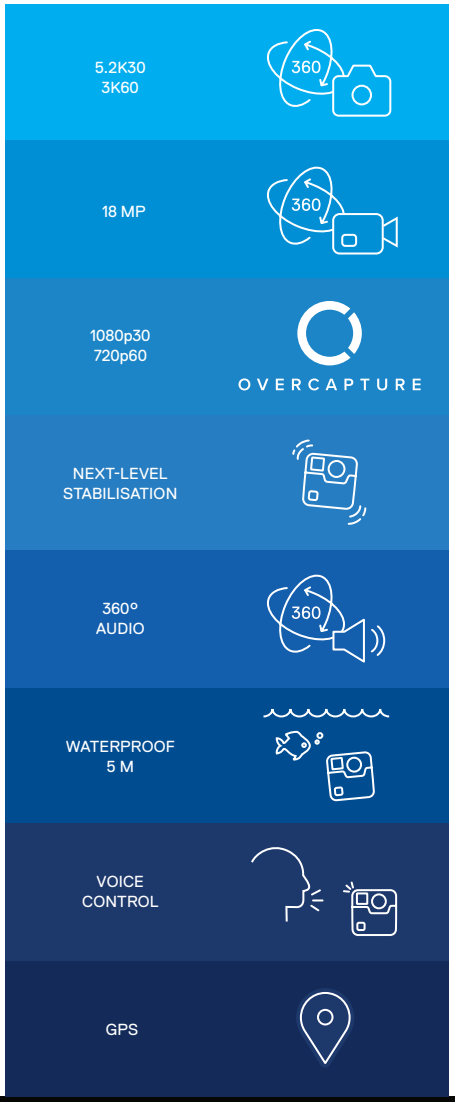

5.2K30 Video
Fusion takes image quality to the next level with stunning 5.2K30 video.

18 MP Photo
Take pro-quality spherical photos in Single, Burst, Time Lapse, Night and Night Lapse modes.

360° Audio
Multiple microphones combine to capture spherical surround sound that comes at you from every direction.

Waterproof
Fusion is waterproof down to 5 m without a housing.[2]

Voice Commands
Easily control Fusion with commands like "GoPro shoot burst".

FUSION 360
