# Safety and care advice

**Important -** Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2 and 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the panels, this could cause damage.

• Assemble the unit as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• ***Note:*** Only apply the glue once you are sure of the assembly.

• The wall plugs supplied are suitable for solid walls only. It is important that the correct type of fixing is used for your wall, seek professional advice if in doubt.

• Parts of the assembly will be easier with 2 people.

• If using power tools, please follow the safety instructions supplied with the tools.

• We do not recommend the use of power drill/ drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

• ***Warning:*** Before drilling, check the wall for hidden pipes and cables.

• Dispose of all packaging carefully and responsibly.

• ***Warning:*** The unit weighs approximately 5 kgs.
**Please lift with care.**

## Glue safety - Take care when using glue, please follow the advice below

**Skin contact:** Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

**Eye contact:** Rinse immediately with clean water for 15 minutes and seek medical advice.

**If swallowed:** Seek medical advice immediately. If possible show product information or label to the medical advisor.

## Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

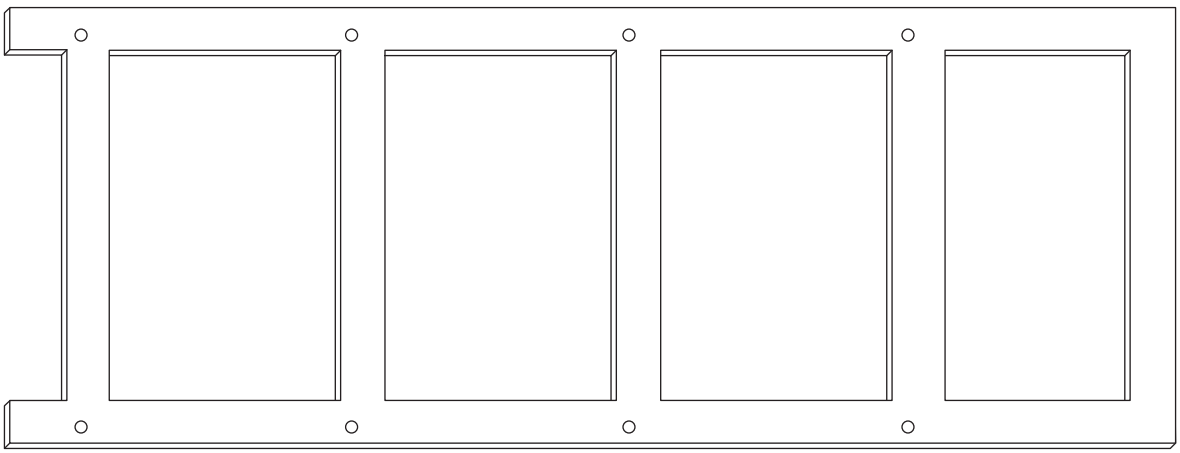

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

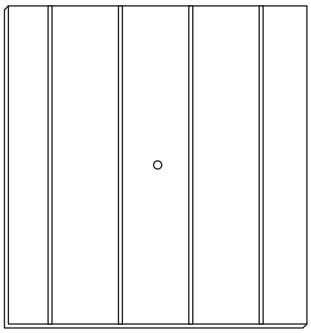

***Note:*** if required the next page can be cut out and used as a reference throughout the assembly. Keep this page with these instructions for future reference.
