Assembly Instructions

Before you
start , here is
some helpful
advice ◦

1. We suggest you spend a short time reading through this leaflet and then follow the simple step by step instructions.
2. If you follow the instructions carefully the end result should be worth the effort.
3. Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
4. Assemble this product on a carpet.
5. To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.
6. We recommend a periodic check on all fixing points to make sure they remain fully tightened.
7. Keep glue and fittings out of children's reach.

In the unlikely event that this product has missing or

The glass used with this product is annealed mirror glass of a nominal thickness of 5mm. It is not required to comply with BS 6206.

If a glass component is chipped or broken replace with glass of the type described on this label. Consult the manufacturer, retailer or agent with regard to obtaining a manufacturing specification and shape for replacement glass quoting the model number and batch number or date of manufacture.

WARNINGS

- (1) Do not place very hot or very cold items against or in close proximity to glass surfaces unless an adequately thick insulating material is used to prevent such items from coming into contact with the glass.
- (2) Do not strike the glass with hard or pointed items.
- (3) When cleaning glass panels or mirrors use damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch glass.
- (4) Do not sit or stand upon horizontal glass surfaces.
- (5) It is essential that this unit is fixed to the wall with suitable fixings.

WALL FIXINGS

It is essential that this unit is securely fixed
to a wall!

Please be reminded of the dangers that
may arise, if it is not correctly installed.

Installation should only be carried out by a
