Safety and care Advice

Important - Please read these instructions fully before starting assembly

▪Check you have all the components and tools listed on pages 3 and 4

▪Remove all fittings from the plastic bags and separate them into their groups.

▪Keep children and animals away from the work area, small parts could choke if swallowed.

▪Make sure you have enough space to layout the parts before starting.

▪Do not stand or put weight on the produce. this could cause damage.

▪Assemble the item as close to its final position (in the same room) as possible.

▪Assemble on a soft level surface to avoid damaging the unit of your floor.

▪We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

▪Dispose of all packaging carefully and responsibly..

Care and maintenance

From time to time check that there are no loose screws on this unit.

This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
