Safety and care Advice

Important - Please read these instructions fully before starting assembly

▪Check you have all the commponents and tools listed on pages 3 and 4

▪Remove all fittings from the plastic bags and separate them into their groups.

▪keep children and animals away from the work area,small parts could choke if swallowed.

▪Make sure you have enough space to layout the parts before starting.

▪Do not stand or put weight on the produce. this could cause damage.

▪Assemble the item as close to its final position (in the same room)as possibe.

▪Assemble on a soft level surface to avoid damaging the unit of your floor.

▪We do not recommend the use of power drill/drivers for inserting screws ,as this could damage the unit.Only use hand screwdrivers.

▪Dispose of all packaging carefully and responsibly..

care and maintenance

From time to time check that there are no loose screws on this unit.
