Dimensions

Length - 195,3cm

Depth - 101,5cm

Height - 149,3cm

Weight - 57kg

Important – Please read these instructions fully before starting assembly

If you need help or have damaged or missing parts, call the **Customer Helpline:**

0045 7668 8055 or e-mail: order@flexa.dk

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

IMPORTANT - READ CAREFULLY -RETAIN FOR FUTURE REFERENCE

ASSEMBLY:

Always follow the instruction. Current legislation requires that the high bed / bunk bed must be fitted with 4 safety-rails and a ladder or platform for the upper bunk. The high bed / bunk bed meets the European EN 747:2012 A1:2015 standards for security and durability.

MATTRESS:

This bed is designed to use a mattress size 190 cm long and 90 cm wide. The total thickness must not exceed 16,1 cm. The mattress top must not pass the marking on the ladder / the post for the safety-rail.

WARNING:

High beds and the upper bed of bunk beds are not suitable for children under six years due to the risk of injury from falls. Bunk beds and high beds can present a serious risk of injury from strangulation if not used correctly. Never attach or hang items to any part of the bunk bed that are not designed to be used with the bed, for example, but not limited to ropes, strings, cords, hooks, belts and bags. Children can become trapped between the bed and the wall, a roof pitch, the ceiling, adjoining pieces of furniture (e.g. cupboards) and the like. To avoid risk of serious injury the distance between the top safety barrier and the adjoining structure shall not exceed 75 mm or shall be more than 230 mm.

Do not use the high bed / bunk bed if any structural part is broken or missing.

MAINTENANCE INSTRUCTIONS:

Check regularly that all assembly fastenings are properly tightened. Ventilation of the room is necessary in order to keep the humidity low and to prevent mould in and around the bed.

Components - Parts

If you have damaged or missing components,
call the **Customer Helpline: 0045 7668 8055**

Please check you have all the parts listed below

1 Leg Right x2
(83,1x4,3x4,3cm)
No. 12-04308311-40

2 Leg Left x2
(83,1x4,3x4,3cm)
No. 12-04308312-40

3 End panel x4
(87,7x42,1x1,6cm)
No. 4301-1608771-40

4 Ladder side x2
(115,3x8,9x2,0cm)
No. 12-02011532-40

5 Slat x30
(89,7x6,5x1,5cm)

(60,7x4,3x4,3cm)
No. 12-04306072-40

Components - Fittings

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

A  No. 3913-06080 M6x80mm Connecting bolt x27	B  No. 3922-060131 M6 Ø10x13mm Barrel nut x28	C  No. 3901-35015 Ø3,5x15mm Chipboard screw x8
D  No. 3930-10045 Ø10x45mm Dowel x16	E  No. 3930-08040 Ø8x40mm Dowel x24	F  No. 3938-000081-2 Ø8mm Cover cap x24
G  No. 3909-63030 6,3x30mm Assembly screw x4	H  No. 3901-45060 4,5x60mm Chipboard screw x6	I  No. 3913-06055 M6x55mm Connecting bolt x2
J  No. 3901-40030 4,0x30mm Chipboard screw x64	K  No. 3923-06015 M6x15mm Sleeve nut x1	L  No. 3938-00010-2 Ø10mm Cover cap x8
M  No. 3908-70050 7,0x50mm Confirmat screw x12	N  No. 4008-106 80x15x2mm Mending plate x2	O  No. 3939-00012-20 Ø12 Cover cap x6
P  No. 4008-022 70x40,5x20mm Angle x2	Q  No. 3934-10100 Ø10x100mm Connecting bolt x4	

Tools required

Phillips
screwdriver
(medium)

Flatblade
screwdriver
(medium)

Allen key
4mm incl.
No. 4033-002

Small
hammer

Ruler/tape
measure

Eye protection
(when using a
hammer or glue)

Assembly Instructions

Step 1

Insert the dowels **D** into the holes in bed sides **7**.

Insert the dowels **E** into the holes in safety rails **8** and **9** and end panels **3**.

It may be necessary to tap the dowels in very gently with a small hammer.

Step 2

Attach end panel **3** to the legs by placing the dowels into the holes in legs **1** and **2**.

Push 2 barrel nuts **B** into the small holes in end panel **3**. Push connecting bolts **A** through legs **1** and **2** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!
Repeat for both bed ends.

Step 3

Attach bedside **7** and safety rail **8** to the bed by placing the dowels into the holes in legs **1** and **2**.

Push 2x barrel nuts **B** into the small holes in bedside **7** and safety rails **8**. Push connecting bolts **A** through legs **1** and **2** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!

Assembly Instructions

Step 4

Attach the second bedside **7** to the bed by placing the dowels into the holes in legs **1** and **2** as in the previous step.

Push 2 barrel nuts **B** into the small holes in bedside **7**. Push 1x connecting bolt **A** through legs **1** and **2** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!

Step 5

Insert the connecting double bolts **Q** to the short legs **10** and **11**.

Twist/turn the bolt **Q** to align holes in double bolt with top holes in legs.

Countersunk side of holes in double bolt **Q** should face the side of legs **10** and **11** with 4 holes.

Assembly Instructions

Step 6

Attach end panel **3** to the legs by placing the dowels into the holes in legs **10** and **11**.

Push 2 barrel nuts **B** into the small holes in end panel **3**. Push connecting bolts **A** through legs **10** and **11** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!
Repeat for both bed ends.

Step 7

Attach bedside **7** to the bed by placing the dowels into the holes in legs **10** and **11**.

Push 2x barrel nuts **B** into the small holes in bedside **7**. Push connecting bolts **A** through legs **10** and **11** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!

Step 8

Attach the second bedside **7** to the bed by placing the dowels into the holes in legs **10** and **11** as in the previous step.

Push 2 barrel nuts **B** into the small holes in bedside **7**. Push 1x connecting bolt **A** through legs **10** and **11** to meet the barrel nuts **B** and fasten with the allen key.

Don't overtighten!

Assembly Instructions

Step 9

Assemble the two beds by putting one bed (with legs **1** and **2**) on top of the other bed.

Attach the connecting double bolts **G** in legs **10** and **11** with the upper bed by screws **G** through legs **1** and **2**.

Don't overtighten!

Step 10

Attach safety rail **9** to the bed by placing the dowels into the holes in leg **2**.

Push a barrel nut **B** into the small hole in safety rail **9**. Push 1x connecting bolt **A** through leg **2** to meet the barrel nut **B** and fasten with the allen key.

Don't overtighten!

Be aware that ladder can be positioned left or right !

Ladder can be positioned left or right!!

Assembly Instructions

Step 11

Assemble the ladder by fastening treads **6** between the ladder sides **4** using screws **M**.

Step 12

Place the ladder into the bed.

Attach safety rail **9** to the ladder by placing the dowels into the holes in ladder side **4**.

Push a barrel nut **B** into the small hole in safety rail **9**. Push connecting bolt **I** through ladder side **4** to meet the barrel nut **B** and fasten with the allen key.

Don't overtighten!

Attach the ladder to the leg **1** by placing the sleeve nut **K** into the hole in leg **1**. Push connecting bolt **I** through leg **1** to meet the sleeve nut **K** and fasten with the allen key.

Fasten the ladder sides **4** to the bedsides **7** using the screws **H**. Insert cover caps **O** into the holes in ladder sides **4**.

Ladder can be positioned left or right!!

Assembly Instructions

Step 13

Place two slats **5** in the ends of the bed, against the legs. Fasten with four chipboard screws **J**.

Place one slat **5** in the middle of the bed. Follow the measurements.

Push the bedsides **7** together whilst attaching middle slat **5** to the bed with two chipboard screws **J**.

Step 14

Position the remaining twelve slats **5** in the bed with an approximate distance of 64 mm between each.

Fasten each slat with two screws **J**.

Assembly Instructions

Step 10

Attach wall mount brackets **P** to legs **1** and **2** with chipboard screws **J**.

Attach safety rails **8** and **9** to bedsides **7** using mending plates **N** and chipboard screws **C**.

Assembly is complete.

Assembly Instructions

Note: To achieve the single bed look shown here:

UPPER BUNK

Remove both bed ends in the upper bunk, with long legs **1** and **2** from the assembled bed base frame.

Turn both end panels **3** so that the decoration groove now is at the same side as the 9 holes in long legs **1** and **2**.

LOWER BUNK

Remove one low bed end in the lower bunk, with legs **10** and **11** from the assembled bed base frame and mount instead the high bed end with long legs **1** and **2** and the turned end panel **3**.

Repeat for the other single bed.

Bunk bed as 2x single beds:

Your 1 Year Guarantee

Peace Of Mind

Knowing Your Furniture Is Protected

Protection received within the Manufacturer's Guarantee	Optional Added Protection with Furniture Care
Covers you for manufacturing defects for 1 year.	Covers you for up to 2 years for specific structural defects following the expiry of the manufacturer's guarantee.
In the event of a problem within this time please call 0345 640 0800 , or visit an Argos store. Please retain your receipt and order number as proof of purchase.	Plus - covers you for accidental damage up to 3 years for incidents such as household spills, rips, tears and burns. Accidental damage cover begins from the moment your plan starts.
	If you want to purchase Furniture Care visit https://argos.productaftercare.co.uk or go into an Argos store.
Key exclusions applying to both the Manufacturer's Guarantee and Furniture Care include where the fault is due to misuse, abuse, deliberate damage, wear and tear, neglect, use in contravention with the instructions, or if the product has been the subject of unauthorised alterations or commercial use (for full list of exclusions please visit https://argos.productaftercare.co.uk or visit an Argos store for more information). You have up to 45 days post purchase to take out Furniture Care. Terms and conditions apply. Your statutory rights remain unaffected.	

Register

For Your Manufacturer's Guarantee

Thank you for choosing Argos Home.
We hope you love your shiny new things!

To provide you with the best possible after sales service, don't forget to visit **<https://argos.productaftercare.co.uk>** where you can **register** for your guarantee.

Once you've registered, you can upload your receipt to store safely online, alongside details of our after sales support service, ready at hand should you need it.

You can also take out Furniture Care which protects you against accidental damage, from the moment you take the plan out, to keep your new furniture looking newer for longer.
