

# H150

## Stereo Headset

logitech®

### ENJOY CRISP, CLEAR INTERNET CALLS AND MUSIC FROM YOUR PC

Enjoy crisp, clear internet calls and music from your PC. Versatile and adjustable, the H150 Stereo Headset is a good choice for computers that use separate 3.5 mm microphone-in and audio-out ports. Adjust the volume or mute calls without disruption using the controls on the headset cord. The noise-cancelling microphone reduces background noise. The flexible microphone boom rotates 180° to be worn on the left or right, and can be tucked out of the way when not in use. The headband adjusts easily to fit you, while the ultra-soft foam ear cushions provide hours of comfort.

#### WHAT'S IN THE BOX

- Stereo headset
- User documentation
- 2-year manufacturer's guarantee

#### FEATURES

- Stereo sound
- Rotating microphone
- In-line controls
- Adjustable headband
- Dual plug connection
