Highlights

Comfortable ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

Lightweight headband

The lightweight material used for the headband

2 m cable

The ideal length of cable to give you more freedom of movement and to choose where you carry your audio device.

Full-size design

The full-size ear shells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher-performance driver.
