ASSEMBLING YOUR 4FT FOOTBALL TABLE

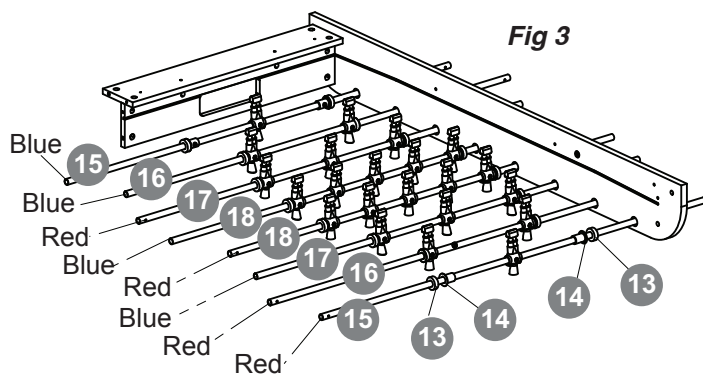

- A** Connect parts 3 & 4 together the make the assembly shown using screw 25. Do this twice and part the second assembly aside for later (fig 1).

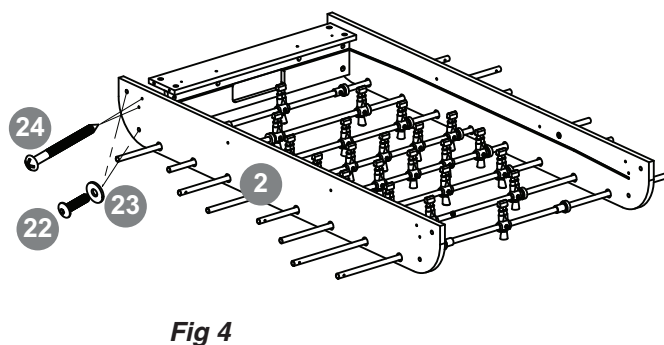

B

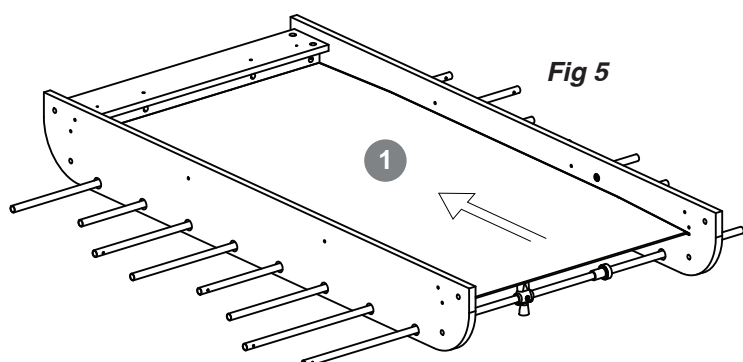

- C** Slide all the player poles in place in the colour order shown, make sure the opposite teams are facing each other towards the opposing goal (fig 3).

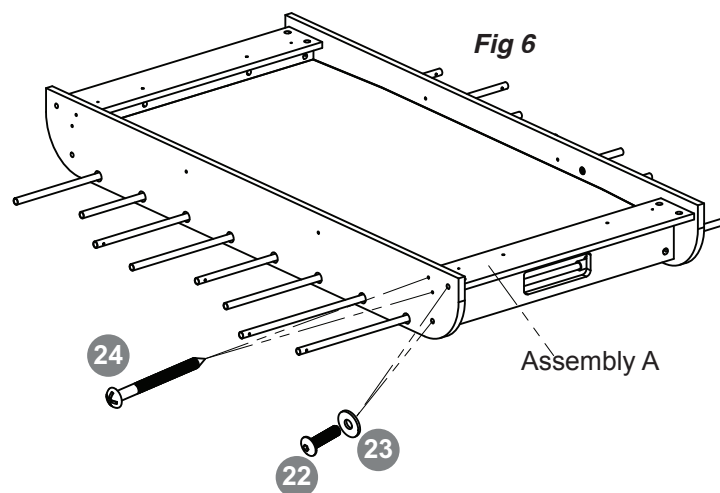

D

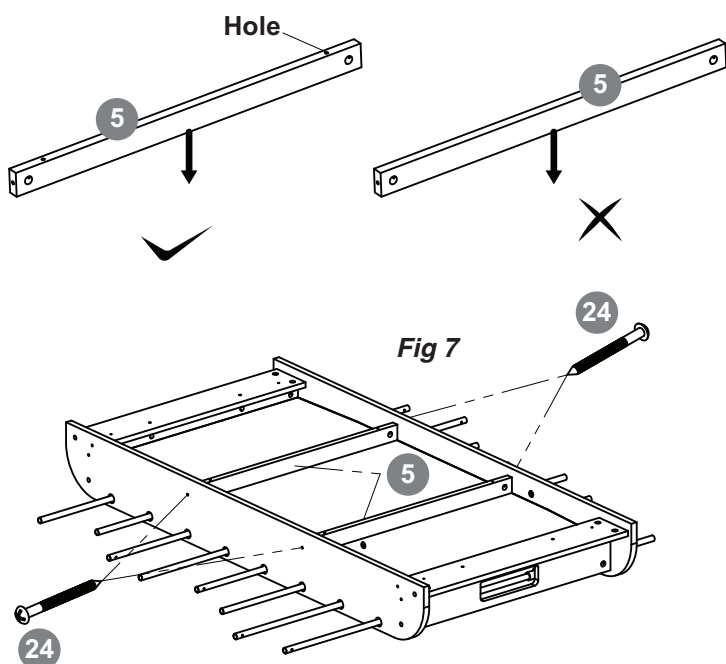

- E** Now slide the table pitch (1) in place along the groove provided (fig 5).

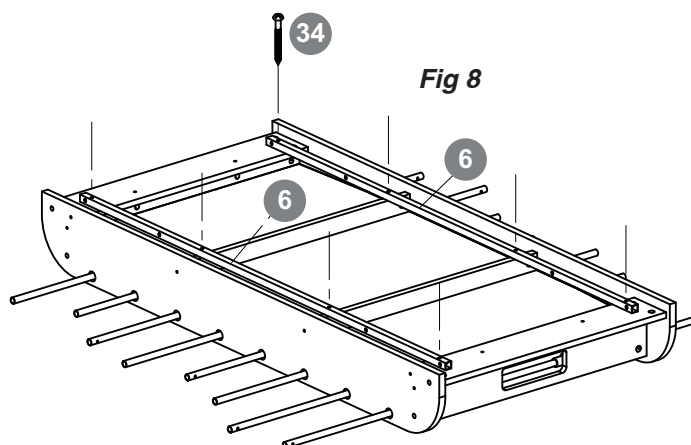

F

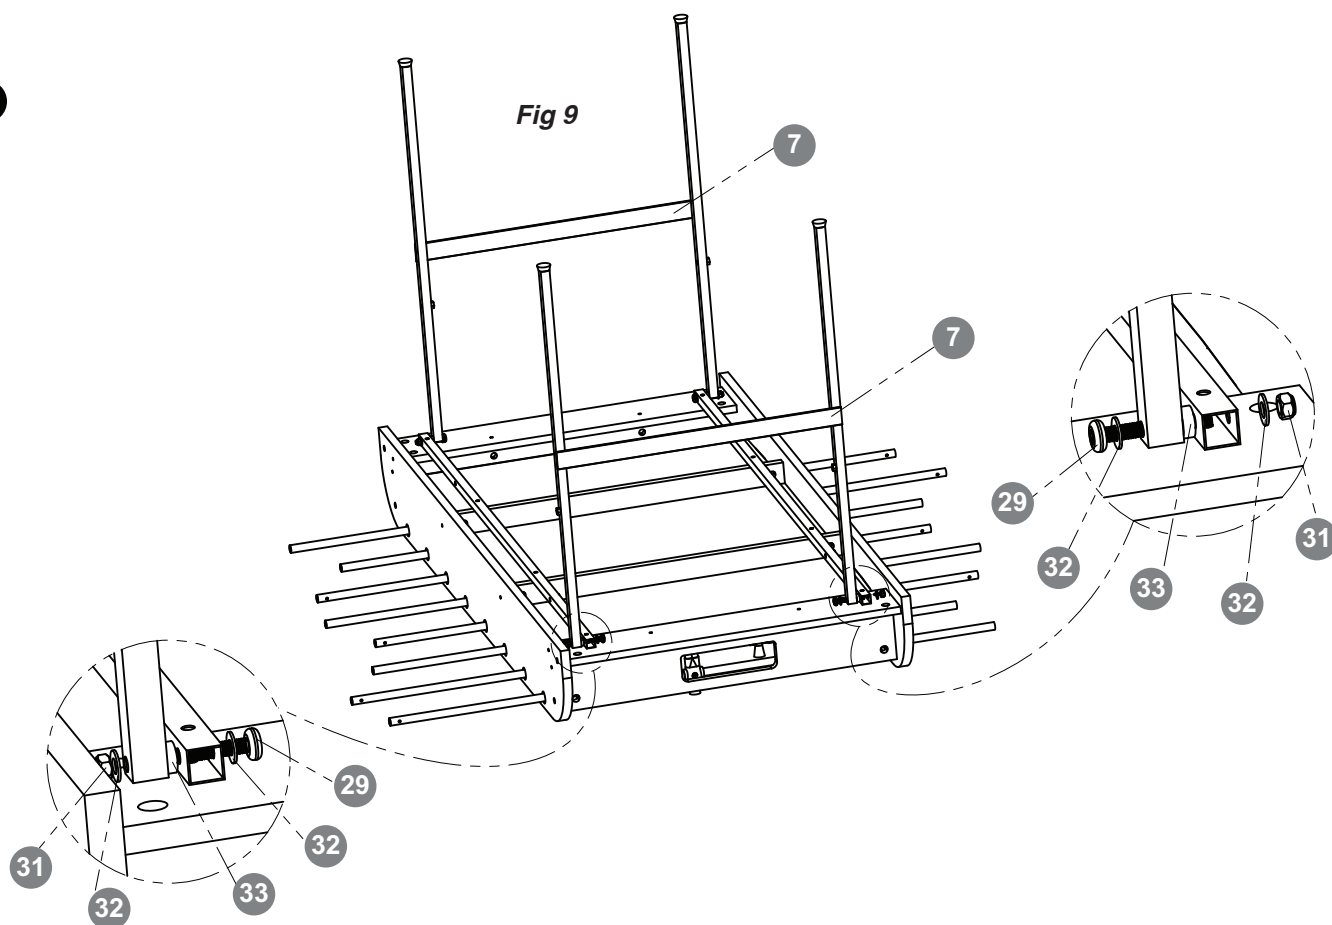

- G** Add the table support braces to the bottom of the table as shown using screw 24 (fig 7).

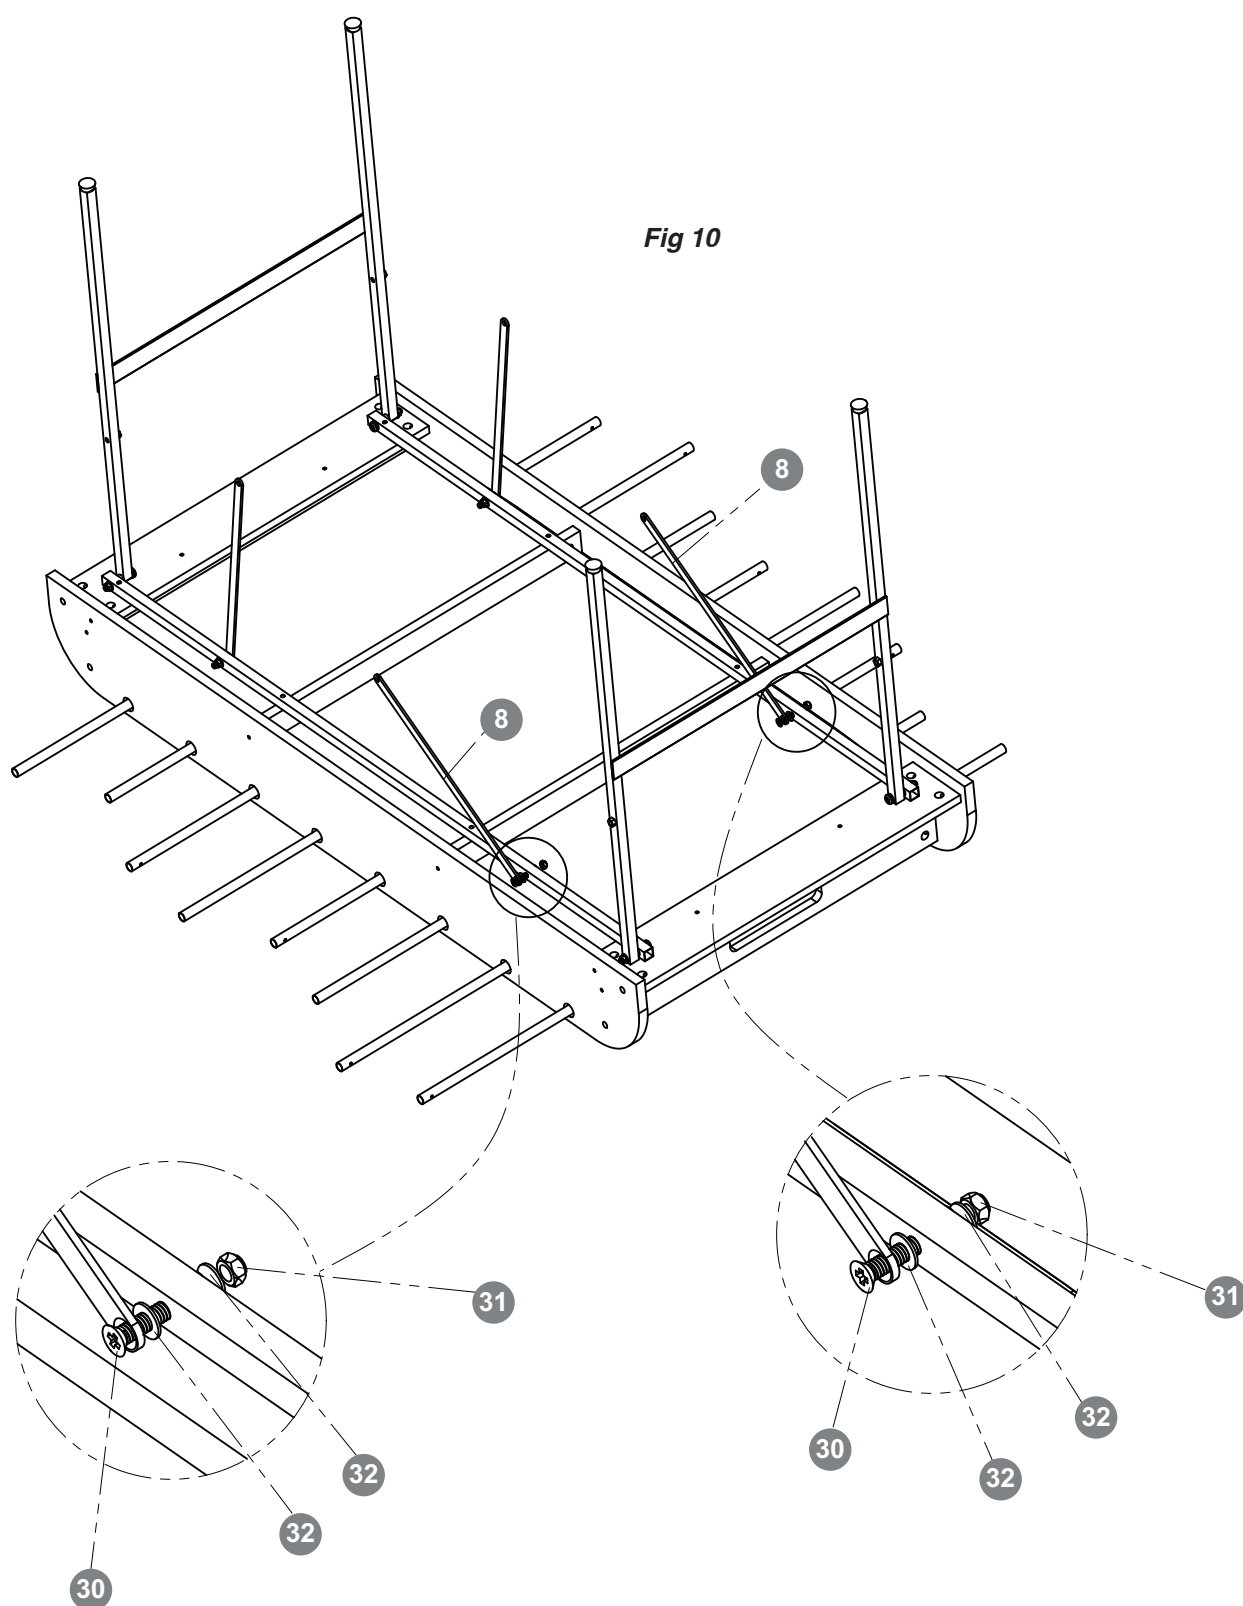

H

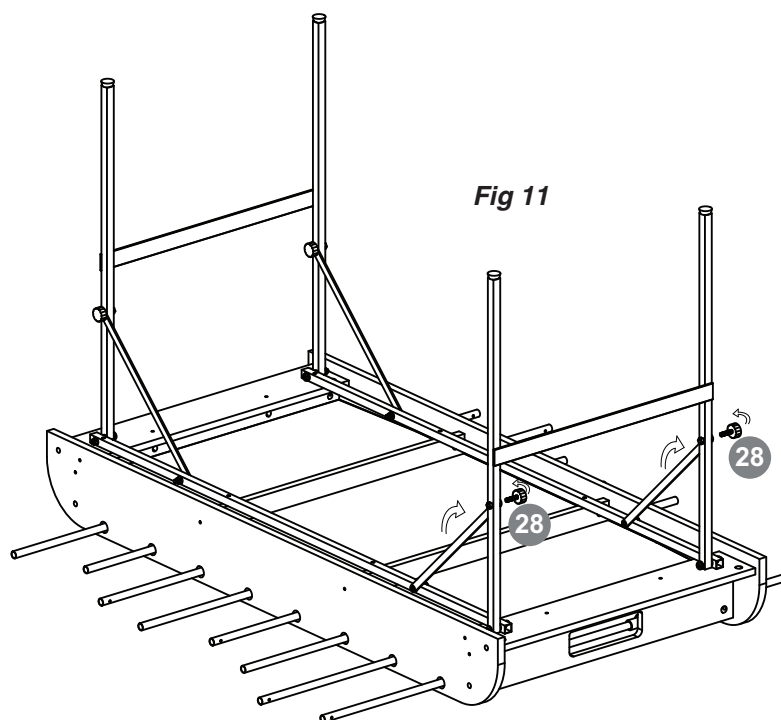

I

J

- K** Lock leg struts in place using bolts 28. (fig 11).

- L** Using two adults carefully turn the table over and adjust the leg leveller if needed to create an even playing surface. Now attached the end goal boxes (9) to the table using screw 26. Attached the slide scorers (10) to the top of the goal boxes using screw 27 as shown. Finally cover the end of all the poles with the end caps and handles in the correct place. Tip : Follow the diagram below and start at the goal to prevent incorrect handle placement (fig 12).

You are ready the play!
