

Philips
Portable Cassette Player

AQ1001/05

Simple and functional recording

Cassette recording made simple with this Philips cassette recorder. The one-touch functionality for both recording and playback, along with a built-in microphone and retractable handle, provide portability and convenience.

Benefits

Recording made easy

- Autostop cassette deck
- Built-in speaker for full and detailed sound during playback
- Built-in microphone for hands-free recording
- One touch recording

Easy to use

- Mains or battery operated for flexible placement
- Additional headphone connection for personal listening
- Retractable handle for easy travelling

Features

Mains or battery operated

Power your Philips radio set with batteries or a direct mains supply, and enjoy great convenience and flexibility. When a power socket is not available or

when you don't want unsightly wires trailing, simply operate the set with batteries. When you need a continuous and stable power supply, connect the set directly to a wall socket. Now you can truly enjoy the freedom of listening wherever you like.
