

VERVE BUDS 800

Noise cancelling*
smart true wireless headphones

the ultimate earbuds engineered for superior listening experience.

Intelligently crafted combined with the best aesthetic design to fit everyone with different lifestyles. Go anywhere and do anything with Motorola's most smart and true wireless headphones. Verve Buds 800's sleek and smart design features 6-hours playtime on buds and 12-hours on the case, perfect sound quality with dual mic for crystal clear calls, handsfree calling, and faultless compatibility with Alexa, Siri, and Google Assistant. It also features EQ sound curve via the VerveLife app for a personalised listening experience. Adding to its comprehensive design and features is its IPX4 waterproof certification that eases you from concerns of water damage. It also has a super compact wireless Qi charging case that you can take anywhere with you. Verve Buds 800 breaks down all the barriers of wireless possibilities making it the perfect Bluetooth earbuds for you.
