⚠ Safety and Care Advice

Important - Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on page 2.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do no stand or put weight on the product during assembly, this could cause damage.

• Assemble on a soft level surface to avoid damaging the Shoe rack or your floor.

• Parts of the assembly will be easier with 2 people.

•We do not recommend the use of power drill/drivers ***for inserting screws***, as this could damage the unit.
Only use hand screwdrivers.

• Dispose of all packaging carefully and responsibly.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

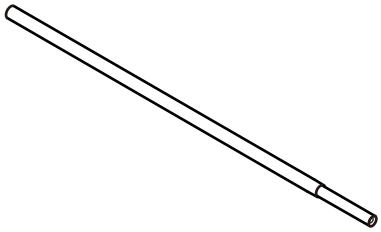

• From time to time check that there are no loose screws on this Shoe rack.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.
